OTIS TECHNOLOGY

SMART GUN CARE

BREECH-TO-MUZZLE® TECHNOLOGY

Gives hunters and shooters a better way to clean rifles, pistols, shotguns, and in-line muzzleloaders without disassembly. Pull fouling out of the firearm rather than pushing it back in.

LIGHT ON WEIGHT. HEAVY ON FUNCTION.

Compact, lightweight, and packaged with components specifically made for each type and caliber firearm you use - in any situation or environment.

SMART GUN CARE

The days of ramming conventional brass rods down the bore of your firearm are over. Try Otis. It's simple. *It's Smart Gun Care.*

MADE IN AMERICA

American quality, American made and proud to be a supplier of choice for our men and women in law enforcement and our military.
